EMS Medical Director

Chief, Emergency Medical Services

I. INTENT:

- A. To establish criteria for Emergency Medical Technicians in Sacramento County to determine appropriateness of either:
1. Withholding resuscitative measures in accordance with the patient's wishes; or
 2. To utilize direct medical oversight for pronouncement of victims of cardiac arrest while in the prehospital setting.

II. AUTHORITY:

- A. Health and Safety Code, Division 2.5, Ch. 4, Art. 1, §1797.220; Ch. 5, §1798 & §1798.2.
- B. California Code of Regulations, Title 22, Division 9, Ch. 4, Art. 2, §100144 & §100147.

III. DEFINITION:

- A. Emergency Medical Technician (EMT) shall apply to EMT-I(s) and EMT-P(s).
- B. Do not resuscitate (DNR) means no chest compressions, no defibrillation, no assisted ventilation, no endotracheal intubation, and no cardiotoxic medications. This does not exclude other treatment, especially those treatments directed to pain and comfort of the patient.
- C. The State Emergency Medical Services (EMS) Authority approved form Physician Orders for Life-Sustaining Treatment (POLST) is recommended for documenting do not resuscitate orders.
- D. DNR Medallion: MedicAlert® medallion, which states "Do Not Resuscitate - EMS", (or similar medallion as approved by the EMS Authority).
- E. Partial DNR orders require consult with medical oversight, unless a completed

POLST form is present with the patient. If a POLST form is present, the EMT is to follow the POLST form guidelines. If questions remain, consult with medical oversight indicated.

IV. PROCEDURE:

A. All patients who do not meet the "determination of death criteria" as outlined in Sacramento County Emergency Medical Services policy #2033 shall be resuscitated unless the EMT is presented with:

1. A State EMS Authority POLST form.
2. A written, signed order or electronic order in the patient's medical record;
3. A completed Prehospital DNR Request Form stating, "Do Not Resuscitate," "No Code," or "No CPR";
4. A written order stating, "Do Not Resuscitate," "No Code," or "No CPR" signed by a physician, with the patient's name and date the order was signed;
5. A written Advance Health Care Directive document or wallet card, including the DNR portion of a "Living Will" or equivalent, identifying the designated agent who declines resuscitation on behalf of the patient. Resuscitation attempts shall not be delayed by attempts to contact the designated agent;
6. The patient is wearing a DNR medallion.

B. An EMT may discontinue resuscitation if after the resuscitation was instituted the following is presented:

1. A State EMS Authority POLST form.
2. A written, signed order or electronic order in the patient's medical record;
3. A completed Prehospital DNR Request Form stating, "Do Not Resuscitate," "No Code," or "No CPR";
4. A written order stating, "Do Not Resuscitate," "No Code," or "No CPR" signed by a physician, with the patient's name and date the order was signed;

5. A written Advance Health Care Directive document or wallet card, including the DNR portion of a “Living Will” or equivalent, identifying the designated agent who declines continued resuscitation on behalf of the patient.
 6. The patient is wearing a DNR medallion.
- C. If the patient is conscious and states he/she wishes resuscitative measures, the DNR order shall be ignored.
 - D. The presence of a DNR order, the physician's name signing the order and the date of the order is to be documented on the Patient Care Report (EMS Form).
 - E. The DNR form (original or copy), DNR medallion, or a copy of the valid DNR order from the patient's medical record shall be taken with the patient.
 - F. If there are any questions, provide for patient comfort including BLS CPR, if indicated, and utilize direct medical oversight.
 - G. In the event the patient expires enroute, continue to the destination hospital.
